Wedding favours

We will provide you with the beautifully designed table cards. Each card is personalised with your wedding details and incorporates a unique lottery number.

We will enter these numbers into the weekly lottery draw which will provide your guests with the opportunity to win one of 58 cash prizes including a top prize of **£1,000**.

Favours are only **£2** each, and this will go towards providing specialist care and support for adults and children with terminal or life limiting illnesses.

- Favours must only be given to guests over 16 years of age.
- Each wedding favour is personalised with your wedding details, i.e. name of the Bride and Groom and date of the wedding.
- We normally require a minimum of three weeks notice to prepare and personalise your favours.
