Sponsor a Nurse

Help us make a difference

Eden Valley Hospice

Our nurses have a passion for hospice care. Their specialist skills meet local patients and families needs at a vulnerable time. Nursing staff see it as a privilege to be allowed into their lives and provide compassion, comfort and a safe haven.

“Avril always felt safe and comfortable in the hospice, in the time she was in its care. This was great comfort to me and the rest of our family to know she was in a place she felt respected. We were made to feel very welcome and can only thank the nursing staff again for their kindness.” Mr Barker, Carlisle.

Year on year the hospice’s expert nurses and specialist doctors provide care for adults with life limiting illnesses from north Cumbria and south west Scotland. Our home from home environment creates a relaxing atmosphere for patients and families, with each room overlooking the beautiful walled garden.

How can you help? Our care would not be possible without you. Every year, local organisations, businesses and individuals, help the hospice raise over £2.7million to provide our care free of charge when people need it most.

Sponsoring a Nurse through a direct debit or a one off donation is a fantastic way of ensuring our care, support and activities are here for people today, tomorrow and in the future.
